About The Unicorn Center

Unicorn Centers, Inc. is a vocational training and job placement agency for adults with intellectual developmental disabilities.

Unicorn customers are empowered to achieve their maximum potential for independence and productivity in the workplace and in the community through specialized Unicorn programs.

Founded in 1984, The Unicorn Center is the only site in Bexar County offering life enhancement through the combination of half-day contract work, life skills training, job placement, job coaching and long-term follow-up.

Unicorn serves approximately 300 customers each day, with ages ranging from 18 to 80 years old.
