LEARN | CONNECT | SERVE

The Mission of the San Antonio Human Resource Management Association is to elevate our HR community by promoting professional development and personal growth through education, networking and volunteerism.

SAHRMA's Vision is to be the collective voice of Human Resource professionals in Central and South Texas, and the leader of choice in advancing the Human Resources profession in all communities served through strategies, mission critical ideas, and forums.

- A forum to develop our **L**eaders, educate our community, advance our chapter through growth, create strategic focus and membership influence, and empower our success through collaborative business and community alliances;
- The most essential and comprehensive **E**ducational and professional development resources and services available;
- A forum to **A**ssociate with business/community partners, and other professionals to exchange mission critical ideas and strategies which affect our work and personal lives;
- A platform for our members to express their **P**assion for the Human Resources profession through targeted volunteer opportunities.

San Antonio Human Resource Management Association, Inc.

SAHRMA is an affiliate chapter of the **Society for Human Resource Management (SHRM)**. We have achieved national recognition as a progressive Chapter and since our founding we have grown to over 600 members representing well over 200 local companies.

SAHRMA's annual membership dues are \$100. Discounted rates for those who are also members of SHRM and or SHRM Certified, information on the SAHRMA website.
