## What to Know

Deadline: **January 17th**

*Have new items around the house you never use? Have unused Christmas gifts? Don't throw them away- DONATE! The South Texas HR Symposium needs your help with our 2020 Charity Silent Auction. We are looking for new or unused items (ideally still in original packaging) to benefit the SHRM Foundation. The Silent Auction is a great way for your company to advertise, build brand recognition, and increase community presence. Donated items can be a tax write-off based on the value of the item. We can provide a receipt if needed.*

## Where to drop off Items

Bring items to the January 14th SAHRMA meeting or to the Mix and Mingle event on January 16th! Can't make it? Contact Victoria to coordinate a pick up time and place!

## We need Baskets Too!

*Do you have some spare baskets or reusable containers? We can use them! We need about 40* small to medium new or gently used baskets and containers to hold the auction items. Drop off baskets the same way you would items.
